In re Application of :  
Vidal et al. :  
Application No. 09/620,680 : ON PETITION  
Filed: 20 July, 2000 :  
Atty Dkt. 10974-239004/792 CONT 3 :

This is a decision on the petition under 37 CFR 1.182 and filed on 12 November, 2004.

The petition is dismissed as moot.

Petitioners state that the application is abandoned, and request that an amendment to the priority information be made.

A review of Office PALM records reveals that the abandonment of the application was rescinded on 29 March, 2005. As the application is not currently abandoned, no petition is necessary to enter the proposed amendment, and the petition is therefore moot.

The petition fee of \$130.00 will be credited to counsel's deposit account, No. 06-1050.

The application will be forwarded to Technology Center Art Unit 1636 for further processing.

Telephone inquiries related to this decision should be directed to the undersigned at 571-272-3231.
